Subject: Amendments drafted as stand-alone bills

Cathlene, Peter and Tracy,

We would like the following budget amendments drafted as stand-alone bills:

LRB B0428

LRB B0448

LRB B0495

LRB B0501

LRB B0502

LRB B0503

LRB B0510

LRB B0511

LRB B0540

LRB B0541

LRB B0494

LRB B0496

LRB B0497 (I never received this draft but from the description it seems to be Superintendent Evers' Fair Funding plan with our tweaks – if that is not the case, we would like that drafted as a stand-alone bill)

Also, I'm not sure if this request was processed, but we would like this drafted as a stand-alone bill as well:

Require both MPCP and PPSCP schools to be evaluated on DPI's report card system starting in year 2014-15

a. If an individual school falls in one of the bottom 2 categories for 2 years or more consecutive years, the school must implement a turn-around plan (can contract with any entity, public or private) and notify all parents – including new applicants – that they are in jeopardy of being closed if they do not improve

b. Turn-around structure:

i. after 3 years, school must improve by 6 report card points or be removed from the MPCP or PPSCP/statewide

ii. after 5 years, school must improve by one report card tier or be removed from the MPCP or PPSCP/statewide

iii. after 7 years, school must be out of the bottom two categories or be removed from the MPCP or PPSCP/statewide

If you have any questions, please let me know. Thanks,

-tom

Analysis

④ Current law requires the governing body of each private school participating in a parental choice program (PCP) to develop a policy specifying criteria for granting a high school diploma to pupils attending the school under the PCP. The criteria must include the pupil's academic performance and the recommendations of teachers. The private school may not grant a high school diploma to any pupil attending the school under the PCP unless the pupil satisfies the criteria specified in the policy.

⑤ Beginning in the 2015-16 school year, this bill requires a private school

participating in a PCP to include
 in its policy the requirements for
 granting a high school diploma to
 public school pupils. These requirements
 include ~~the~~ earning a specific
 minimum number of credits in certain
 subjects and ^{in grades 9 to 12} being enrolled in a class
 or participating in an class or
 activity approved by the school board
 during each class period of each school
 day.

④

The bill also authorizes the
 superintendent of public
 state superintendent of public instruction to
 issue an order ^{barring} barring a private
 school from participating in a PCP if

the private school ~~not include these provisions~~
~~described above new requirements~~

these new requirements

fails to include in its
high school graduation policy ☺
